WHO WE ARE

bits&bytes is an independent, youth-led builder network run by GOBITSNBYTES FOUNDATION, a Section 8 non-profit. 1,500+ members across 3+ city forks.

12

HOURS, ONE DAY

8 AM to 8 PM, on a campus in Kolkata.

THE EVENT

WHAT THE HACKATHON IS

A COMPETITION. WINNERS GO TO IIT BOMBAY.

The bits&bytes Overclock Hackathon is a dedicated competition within Techfest, IIT Bombay. It runs as regional qualifiers (zonals) across India. Kolkata is hosting one of them.

01 THE KOLKATA REGIONAL

A 12-hour competition on a Kolkata campus, 8 AM to 8 PM, on an agreed date in late November or early December.

→

02 THE BEST TEAMS WIN

The strongest teams from the regional are selected as winners.

→

03 THE FINAL AT TECHFEST

Winners go to IIT Bombay, to Techfest, and compete in the final.

BUILT AROUND

Real problems, technical challenges and hands-on building.

ON THE DAY

600–800 builders, mentors and judges on campus for a full day.

TECHFEST, IIT BOMBAY · THE REACH

180K+ footfall · **2,500+** colleges · **500+** global universities. One of Asia's largest science and technology festivals, now in its 30th edition.

BITS&BYTES · PAST COLLABORATORS

Notion, GitHub, AWS and IIT Kanpur, among others.

WHERE PARTNERS FIT

Hosting or bringing a sponsor makes you a partner of the **Kolkata regional** only. The IIT Bombay final is a separate stage, and partner recognition there is a separate arrangement.
